I believe we already have a briefing with Tomas in prep for RTOC/Annual conference. TAS for 303d will be a part of that discussion.

Tomas is planning to be in the regional office next Monday, 10/19 and Tuesday, 10/20. He would like to have a few face-to-face briefings on a few hot topics (see attachment). Please let me know if you are available on 10/19 or 10/20 to brief Tomas on any of the topics listed below. **B5**
